Prologue

As the curtain rises on our production, THE 1961 AURORAN, we see in retrospect our achievements and disappointments in our roles throughout our school years.

We hope that you, as our audience, will recall these moments with equal pleasure.

"All the world's a stage
And all the men and women merely players."

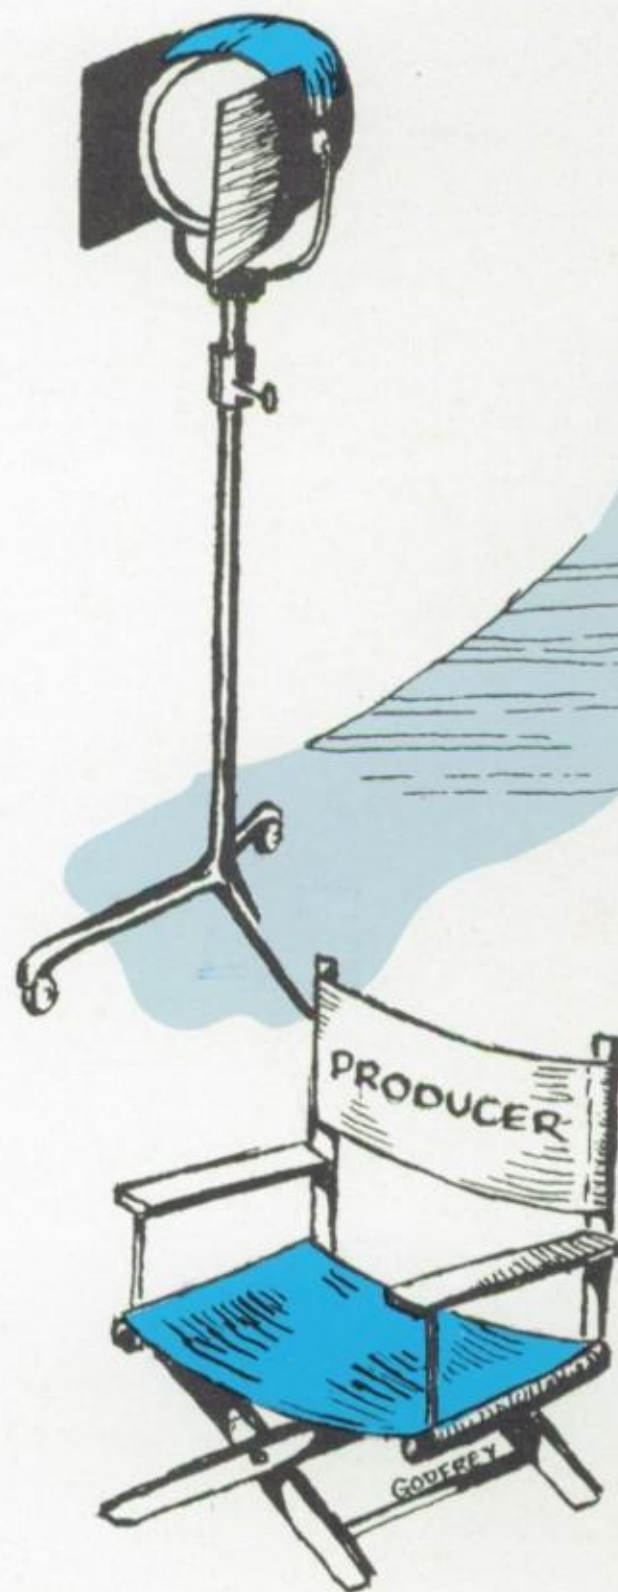

Dedication

We, the class of 1961, dedicate this yearbook to **Walter L. Bumgardner**, our Superintendent, with deep gratitude and appreciation for his untiring efforts in behalf of the education and personal welfare of each member of our class.

Mr. Bumgardner, a graduate of Pennsylvania State University, began his teaching career in 1919. His 42 years of continuous educational

service will terminate this June.

Undergraduates and alumni have known Mr. Bumgardner not only as an administrator, but also as a teacher, advisor, and friend. The staff of the 1961 AURORAN joins them in saluting one of East Aurora's great leaders. To Walter L. Bumgardner we respectfully dedicate this volume.

Administration

Act 1

You are about to take your place in the world of adults, either in higher education or business. Many of you I have watched from kindergarten on, even after you left the elementary schools. Some of you matured rapidly; others developed at a more leisurely pace. In many instances, the choice was yours.

You are now faced with the question, "What will you make of life?" Again, the choice is yours. You may take the opportunities that each day offers, either to loaf or to further prepare for life. To make the most of each opportunity is an art that must be cultivated.

My sincere wish for you is that through the years your choices may lead to a full happy life.

Frances A. Rosen
Director of Elementary Education

Class of 1961 —

You have played "one act" of your life to a successful conclusion. We rejoice with you in this fact. You have now mastered the skills needed for the next scene, while at the same time you have determined what that scene must be. Perhaps you have learned that you can play better at a different role than the one you started to master. Then by all means go in the new direction. Above all, be prepared to play the part which gives you the greatest spiritual satisfaction and at the same time demands your utmost.

In whatever role you choose, we wish for you a wise choice and a well played part. You leave us with our best wishes and blessings. We trust that you will make us proud of you, an East Aurora High School graduate.

Sincerely,
Walter L. Bumgardner
Superintendent of Schools

Seated: Mr. Arthur Moog, Mrs. Mary McCleery, Mr. Albert Stiker, **President;** Mrs. John Dickinson, Mr. Robert Kelly. **Standing:** Mr. Gardner, J. Fabian, Mr. William Conable, Mr. Richard Ohler, Mr. Howard Naulty.

Best wishes to the Class of 1961: Each senior has played a "leading role" through the high school years. The "performance" has provided excellent experience and skill for handling the more exacting requirements ahead.
 Good luck and continued success in your future endeavors.

Sr. High School Principal
 Thomas C. Moore

Six years ago, in September 1955 to be exact, the curtain went up on your high school career. I doubt if there ever was a cast which waited with more excitement and anticipation for the first curtain call. Six years later, the drama is almost over, and the last curtain of your high school life is about to fall.
 I sincerely hope that you have enjoyed this drama, that it contained more comedy than tragedy for you. In addition to enjoyment, I hope you have learned the lessons the drama of school attempted to impart. Shakespeare said:
 "All the world's a stage,
 And all the men and women merely players"
 I hope this school has made you feel prepared and confident to go out into the world. You will find the stage new, the props different, but a good actor is at home on any stage.
 Best of luck for your new curtain call.

Exchange

Students

Dear Friends:

I am very grateful for getting a chance to stay here in East Aurora and go to E.A.H.S.

My year here is surely unforgettable; I just can't believe the time has gone so fast.

I like American teen-agers very much, and you have been very friendly and helpful to me, and I thank you very much for that. American schools are unlike Icelandic schools in many respects, so E.A.H.S. seemed strange to me at first, but now I think it is a very wonderful school.

You must remember when you come to Iceland that I would be very glad to have you visit me.

Again, I thank you very much for making my stay here so delightful. I wish you all the best.

Sigridur Claessen

How fast the time goes! It seems to me that it was just yesterday when I first touched the land of the U. S. Needless to say that I'm the luckiest among all of the exchange students because I could come to East Aurora, such a lovely town and nice people. You don't know how much your kindness helped me to get along with the American life, which is completely different from ours. With all of my heart, I want to say, "Thank you," to all of you.

I hope to see you in my country next. How nice it would be! No matter where I go, I'll be very proud to tell everyone about what a wonderful time I had in East Aurora. I shall never, never forget the friendships I had with the students in East Aurora High School.

Good luck always,
Junko Amaike

Harmen Siezen, the dutch exchange student of last year said about you and me: "The exchange students who are going to visit E.A. High after me are lucky to attend the most wonderful high school in America."

This is an axiom. It has been great to make acquaintance with you; to share your work and your games, to live your life. It has been great fun and a priceless experience too. But I will go back home and leave East Aurora behind me (not forever). Nevertheless, I will not forget you and I hope that in return, you will keep a little place in your memory for me.

I wish you all the luck on the earth.

Christian Wettinck

P.S. If ever you want to practice French, write to me. This is my address: 35 rue IsiCollin, Lieg Belgium. And if ever you get the chance to visit Europe, make a detour and come and see me. You are assured to get a comfortable place in the basement near the dear dog. (He is so nice).

Class History

The Class of 1961 began its education in 1948. At the ripe old age of five, we entered kindergarten. We all had little rugs for our naps. What fun we had playing house, bouncing balls, swinging, and playing on the teeter totters. Once we bounced our balls to the ceiling and had to sit quietly as punishment. We learned to print and soon printed our first letters to Mom.

In 1949 we became big first graders. We were separated into smaller class rooms, and each had his own desk. This year we learned to do arithmetic. We held our first Garden Show and most of us won a ribbon or two. Dick, Jane, and Spot will long be in our memories.

At the age of seven, we began second grade. We loved the weekly trips to the Library to get a book. We were all initiated into the world of dramatics in class plays presented for our parents.

As third graders we felt very grown-up. We no longer had hostesses for lunch! All the classes toured

the Buffalo Museum of Science. We saw the biggest turtle!! The girls will never forget those snakes. However, the electrons and atoms were too hard to understand. In the middle of this year, Southside Elementary School was finished and many of our classmates left Main Street School.

Fourth grade came in 1952 with harder work. Little did we realize how much harder it could get! Our big event this year was the trip to Kleinhans Music Hall. There we heard the Buffalo Philharmonic Orchestra.

In fifth grade we really explored East Aurora. First we had a tour of the Helen Mary Farm Dairy. We saw cows, the processing of milk, and bottles being washed and filled. We walked off with a new pencil. Next we visited the Knox Estate. There we saw their stables, tack rooms, herds of black Angus cattle, and the famous horse, War Paint. Southside School toured Fort Niagara. They marvelled at the old dungeons, cannons, and lookout houses.

In sixth grade we were again divided. Some of us went to Main Street, some to Southside, and some to the new Parkdale School. All three schools held a track meet at Hamlin Park. We received ribbons for such events as high jumping, broad jumping, dashes, baseball throws, and relays. We also had a Field Day at the Boys' Club Day Camp. We hiked, drew, and made things. The most intriguing event of that year was our first real dance. We even had dance programs and punch! We left our elementary schools with great anxiety for what high school held in store.

In seventh grade, amid the fascinating confusion of our vast new high school, we even liked homework. With our added studies came a new and exciting social life. Under the leadership of our president, Dave Bushnell, we held a class swimming party. Many of us attended the Sadie Hawkins Dance that year and realized the fun in store. We really felt a part of our new school at the football games that year. We cheered the team on and they lost only once.

Eighth grade came with more homework. We plunged into activities, clubs, and sports. This year Barb Frey was elected president. We had a combined swim and dance class party. Oh, it was hard getting those boys to dance! With Mr. Henry's help most of us learned the Gettysburg Address. Some of us will remember Mrs. Thomason's "auction" for the Red Cross money. It was not often an eighth grade home-room raised the most money in school!

Now we were Freshmen and the "seniors" of

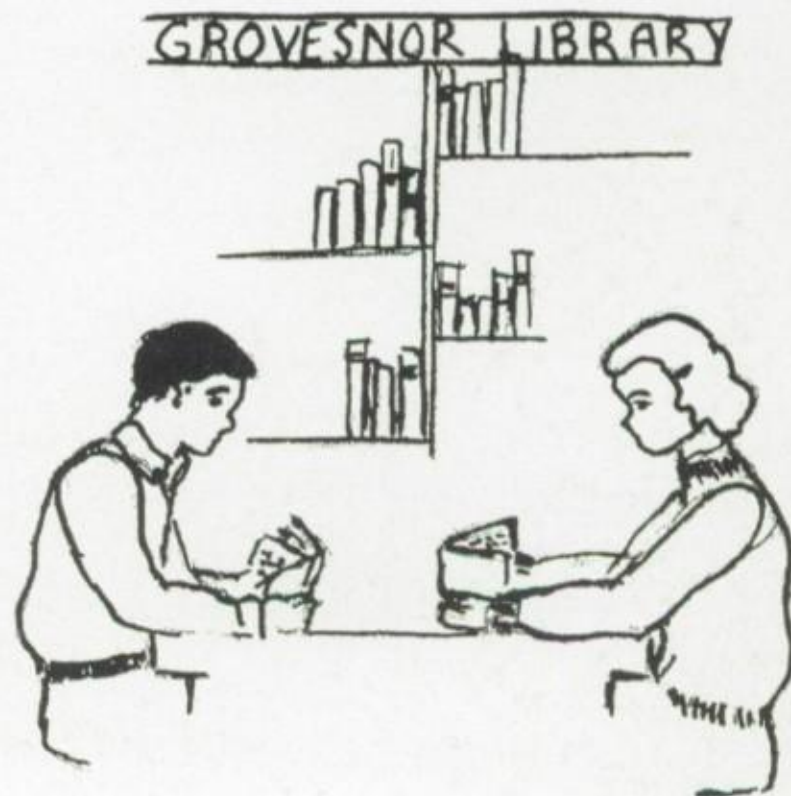

Junior High. Frank Corah became our president this year. Under the guidance of Mr. Shindler, we held our first open dance, The Shamrock Hop. We really were embarrassed when the disc jockey failed to come. He had the date confused! Luckily, an upper-classman came to our rescue and played disc jockey that night. To our great sorrow Mr. Beck, our wonderful choir director, left East Aurora High School. This year, members were inducted into the Junior National Honor Society. This year many students joined us from the Immaculate Conception School. We had our annual class party and the boys finally danced.

At last we reached Senior High! Mr. Drescher became our class advisor and Frank Corah was re-elected President. We presented the Bermuda Bounce together with the Juniors. Many class members showed their talent in the Variety Show. This was the year Mr. Pfleeger got his glasses. How he grumbled! We all liked biology until Mr. Lawson started using that finger-pricker. With more of our boys in Varsity sports, we really backed the teams. Frank Corah was elected Secretary-Treasurer of the Student Council. This year's class part was the biggest and best of all.

Our Junior year was very busy. Bob Aubrecht succeeded Frank Corah as class president. Mr. Drescher and Mrs. Oliver were advisors. First came our very successful Sadie Hawkins Dance. Lanny Miller and Sharon Nenno reigned as Lil' Abner and Daisy Mae. The famed "Mystery Boy" was Bill Matteson. Again we participated in the Variety Show. Doug Laney won first prize — "Coffee, tea, or milk?" Our biggest project was our Junior Play, **Nothing But The Truth**. With the help of our advisors, Mr. Birdsall and Miss Harp, we were a howling success. Twenty-one members were inducted into the Senior National Honor Society. We will always have "fond" memories of those chlorine and ammonia demonstrations of Mr. Hagen's. Either we choked or we froze. After a hard fought campaign, Bob Aubrecht was elected President of the Student Council with Dave Beach as Vice-President. We ended the social season with our prom, Hawaiian Holiday. Bob Aubrecht and Jinx Laidman reigned as king and queen. To our bewilderment, we had managed to survive this hectic year.

In 1960, with Mr. Moore as our new principal, we began our last year at East Aurora High School. Everyone had great times in Senior homeroom. Under the leadership of Bob Leshner we embarked on final money making ventures. The biggest was our maga-

zine sales. We held the E.A. Kickoff to start off the year. Later we presented a Thanksgiving Dance. Our class also held the Sweetheart Swing and the Winter Wonderland. As yearbook editor, Harlene Foss kept us working and our yearbook is one of the best. We will probably never want to use a little 3" x 5" white card again. However, our trips to the Grosvenor Library were not **all** work. We were very fortunate to have with us three wonderful exchange students: Sigridur Claessen from Iceland, Junko Amaiko from Japan, and Christain Wettinck from Belgium. Their influence will long remain with us. As we go our separate ways, we shall always remember these busy, fun-filled years of the class of 1961 at E.A.H.S.

Hawaiian Holiday

One of the most memorable events of our Junior Year was the "Hawaiian Holiday." Held on Friday evening, June 3, 1960 at the Fire Hall. Our prom attracted many Juniors and Seniors who danced to the music of the "Blue Notes." The Hawaiian theme was carried through with fishnets, exotic flowers, palm trees, and bubbling punch, and in the orchid-bedecked thrones of our chosen King and Queen, Bob Aubrecht and Jinx Laidman. They were attended by Alan Swan and Cathy Selkirk and by Paul Grew and Joan Greenwood. This most enjoyable evening was climaxed by the well-attended Post-Prom Party at the Roycroft Inn.

Paul Grew and Joan Greenwood; Margery Wood and Curtiss Crawford; King and Queen, Robert Aubrecht and Jennifer Laidman; Barbara Watson and George Sleeper; and Mary Cochran and Clark Smith.

Nothing But The Truth

Mabel & Friends

JUNIOR PLAY

The Sulphur Bank Mining Company and the parlor of a fashionable Long Island summer cottage composed the settings of **Nothing But The Truth**. This delightful comedy was presented by the class of '81.

Heading the cast of eleven were: William Conable, as the president of the brokerage firm; Kathy Ford, as his beautiful daughter, Gwen; and Thomas Smith as Bob, her fiance, and a junior member of her father's firm.

The plot revolves around a \$10,000 bet that Bob cannot tell the truth for twenty-four hours. This bet results in hilarious situations complicated by two families, business partners, and a pair of money-mad vaudeville actresses.

We will long remember this play, so well directed by Miss Harp. We are grateful to Mr. Birdsall for his invaluable assistance with the stage crew and to Miss Harp's speech classes for their help with make-up.

Poor Bishop!

What a Lovely Voice!

Standing: Jerry Grandey, Tom Smith, William Conable, Paul Stadleman, Charles Moden, Susan Reeves. **Seated:** Marsha Danielson, Karen Haak, Mary Ann Gallick, Linda Shed, Kathy Ford.

Margie Godfrey, Milton Marks, Jim Kail, Harlene Foss, Mr. Carlo Nisita, **Advisor**; Sibi Clack, Karen Haak.

The 1961 **Auroran** was begun in the spring of 1960 and gradually grew during the summer months. The trial dummy was constructed, but underwent many changes as new ideas and layouts arose. In the fall of 1960, the editors were chosen and the final stages of production progressed. The general staff was one of the largest to work on the East Aurora High School yearbook. The staff was coordinated by Mr. Nisita, without whose help this book would not have been possible.

E. A. Students Feature Annual Variety Show

OUR NEWEST ASSET

Mr. Bruce McPherson

Perhaps you have seen a tall, blond man around school who does not look very familiar. This is Mr. Bruce McPherson, our new English teacher. He came to E.A.H.S. in October from Duke School, an "university of Rochester" in 1955. He was both principal and an English teacher at Duke School. He was both principal and an English teacher at Duke School.

Christmas Program to be Teiecast

The Senior High School Band, Choir and Orchestra held their Annual Fall Concert on November 10th. A substantial fund was collected and divided among these three organizations for future scholarship use.

Both the choir and string orchestra will go to Buffalo on December 7th to WGR Broadcasting Station in order to tape a thirty minute Christmas program. This will be shown on Sunday morning, December 11th at 9:30 a.m. Together the two groups will perform parts of "Concert Mass in G" by Franz Schubert. In addition, the choir will play "Lento" from the "Suite for Strings" by Johann Sebastian Bach. This piece is commonly known as the "Air for the G String".

The next big event for the band, chorus and orchestra will be the Christmas Concert on the 20th of December.

A. F. S. Finalists Chosen

Shirley Grunzweig, John Ernst were chosen for the A. F. S. Finals.

If you had never seen a genuine Indian rope trick performed by a real-live Indian, Alan Swan bluish, or an eighth grader play the part of an elderly station master, you did for the first time at the E.A. Annual Variety Show, sponsored by the Student Council. The play, called *The Cow Catcher Crisis* at Cracked-Jug Missouri, was written by Marcia Dannielsen and Jerry Grandey. It began when a train loaded with a troupe of actors had to stop at a small town to repair a missing cow catcher. Not only did the station master's daughter start "making eyes" at the show's leading man, and begin a tooth-and-nail fight over him with other de-lousing lady, but also many other developments helped to complicate the plot and fascinate the audience. While the E.A. student body was enjoying the Thanksgiving Vacation, the West Gyrion with the sounds of stage sets and other train, rehearsing costumes, and working on the production of the play, directed by Mr. Don Conable. The basic cast included Haak his wife, Don Stiles, Dannielsen, daughter of an Swan, Paul Stiles, and Jerry. The play was performed on December 2nd at 7 P.M. From the past, with the audience's reactions.
